Accommodation

Graham Apartments

The apartments are continually being developed, are beautifully maintained and are the perfect Hobart mid-range accommodation.

Activities

Graham Apartments are located on beautifully manicured gardens and grounds and in very close proximity to north Hobart and the great activities planned for the group.

Food

High-quality accommodation which provides self-contained kitchen facilities, allowing the ability to prepare and make their own breakfast, lunch and dinner. Students and staff will be encouraged to work in small groups to shop and prepare food.

UNZOO Student Information

Key Logistics:

Departure dates as below.

Departure: 7.10 am, Monday 14 November, VA1528

- 5am Meet at Virgin Check-In. Give yourself plenty of time as traffic is always incredibly busy. Don't be late – we can't wait!

Return: Friday 18 November 8.25 pm, Flight 1537 10.25 pm Sydney

Airport:

- Recess and lunch on Day 1 need to be taken. Please be aware of domestic quarantine rules.
- At the airport: Students need to stay together as a group and need to go to the bathroom in pairs, and must tell the teacher before and after
- Airport security is taken very seriously – act appropriately
- If you are late or miss the plane: ring your teacher (contact card) + IGS reception. You may be able to join a later flight
- Collect upon arrival: tickets, and bag tag.

Medications: need to give prescription medications to the teacher in a clearly marked zip-lock bag.

T-Shirt: students need to arrive at the airport in a SAGE t-shirt. Students also need to ensure clothing is appropriate whilst in Tasmania. Sun safety is important. Don't bring tank tops or clothes that don't protect shoulders/stomach – you will be asked to change

Bag allowance – which must be adhered to

1 x 23kg + 1 x 7kg carry-on. Be mindful of what can't be carried on (nothing sharp or flammable/aerosol)

Meals: All meals are student-elected. Shopping will be from the local Woolworths.

Behaviour:

- The Code of Conduct must be signed and will be referred to if there is inappropriate behaviour.
- School rules still apply despite being off the campus
- In public places be mindful of others, (i.e keeping left on paths as we are a large group)
- Access to some of the sites is highly privileged and it is imperative that we are respectful of the site's history and the current property owners.
- Student briefings will occur regularly and include the location of staff at night in the case of an emergency
Venue briefings regarding any site-specific information/rules will also take place

Gear:

- At times students will be responsible for school equipment.
- Students will be responsible for all of their own belongings.
- Be sure to bring writing materials

Journal:

- Students are to keep up with the written tasks and journal entries on a daily basis. This will ensure that the task is manageable.

IGS Points of Understanding Statement

Students travelling outside the city on programs are, in response to new physical and human environments, subject to additional risks. This places others at risk, including supervising teachers, instructors, and other students. During such activities students need to be able to utilise their good critical thinking and reasoning skills, and to have sound mental and emotional wellbeing.

If the School is not satisfied that a particular student is fit to participate in the program, the School may require additional information including a medical report or may not allow the student to participate in the program at the School's absolute discretion.

Parents and students are reminded:

Parents accept that students will be exposed to and participate in activities on the Year 10 SAGE trip. These may involve risks that students may not experience whilst at school.

Students who are under the care of IGS staff away from school are expected to comply with directions given by teachers and other authorities, to follow the rules of the staff at the accommodation site, and to comply with the rules and instructions of staff at activity venues.

A student may be asked by the School to leave the program and return to IGS if the School does not consider it appropriate for the student to remain on-site for reasons such as

- the student is not meeting the expectations of the supervising staff;
- the School becoming aware of a problem relating to a student;
- a student placing themselves, or any other student or staff member, at risk of harm;
- a student consuming, purchasing, or carrying illegal substances.

If the School becomes aware of a problem relating to a student, the School will inform the parents of the issue and ask them to make decisions relating to the student's wellbeing. In the event that the parents are not available, the School will contact the emergency contacts nominated by the parents and invested with responsibility by the parents. However, the final decision on whether the student remains in the program is the School.

Code of Conduct for students: Year 10 SAGE Program

- Students are expected to adhere to school rules and common courtesies.
- Students must at all times **follow the directions** of the IGS staff at the accommodation site and activity venues.
- Students **must listen carefully** during all briefing sessions conducted, and follow these instructions carefully.
- Students who engage in inappropriate behaviour that puts themselves or others at risk may be sent home. Their parents will be called and will be required to arrange transport back to Sydney.
- Students are expected to make a genuine effort to **participate fully in the activities** provided by instructors and teachers.
- Students must ensure they have carefully read the OEG website outlining what to bring and what not to bring. **Inappropriate materials** will be held by teachers until the end of the expedition or may be disposed of.
- Students must wear **closed shoes** at all times.
- Students must ensure that they apply **sunscreen** provided as directed by teachers for outdoor activities and must wear a **broad-brimmed hat** for outdoor activities.
- Students **must not leave their accommodation at night** except in case of emergency. There is to be **no noise, movement, or communication** between accommodations after lights out. In the mornings, students must not leave their accommodation before the time specified by the supervising teachers. Any breach of this will be regarded as a very serious matter.
- Students may not be in accommodation **other than their own** without the permission of a teacher. **Under no circumstances may students of the opposite sex be in accommodation together.**
- Students must **respect** the accommodation in which they are staying and behave **safely** and **responsibly** at all times.
- If students feel **unsafe** or **uncomfortable** about something that has happened to them, they should talk to a staff member. **In an emergency** after lights out, they should report to the staff member on duty for that night (these will be indicated to students).
